

NPU – N

Cabbagetown, Candler Park, Druid Hills, Inman Park, Lake Claire, Little 5 Point Business Association, Little 5 Points Community Center, Ponce Corridor East Business Association, Poncey-Highland, Reynoldstown

April 28, 2008

To Whom It May Concern:

It is with great pleasure and much excitement I advise you that NPU-N voted on April 24, 2008 to unanimously support recent attempts by a local playground committee to construct a children's playground in Freedom Park within the Poncey-Highland neighborhood.

There is only one playground in this 200+ acre park to serve the hundreds of families and children who live in the 10 neighborhoods within walking distance of the park at this time. We support the Park's original master plan to provide such amenities for the communities surrounding the park.

We are excited by these efforts and pleased by the progress this committee has made toward securing funding and community support for the playground and look forward to seeing children enjoying a new playground in the park very soon!

Sincerely,

ANNA COPELLO
